Since Katz Investigations was founded in 1988, our legal team grew as rich in diversity as it did in experience. It comprises accomplished private investigators , committed to understanding the business and industry of each client while helping them overcome any challenge. Find out more about our practice areas in this section and give us a call today. We care about your case as much as you do. Here at Katz Investigations, we guarantee an outstanding professional representation. Whatever your needs and queries may be, Katz Investigations investigative team has got you back. Our partners and associates are devoted to excellence, and have been representing our clients with great success since 1988. Member of the National Association of Investigative Specialists, and California Association of Licensed Investigators
